1) Vista principal de General de endPoint

The image is a screenshot of the Swagger UI for the **ImpuestoInternosBackend.Api** version 1.0. The interface is dark-themed with a top bar containing the Swagger logo and a dropdown menu to select the API definition. The main content area lists two API groups: **Comprobantes Fiscales** and **Contribuyente**. Each group contains a list of endpoints with their HTTP methods and paths. Below the endpoints, there is a **Schemas** section showing two request DTOs: **ComprobantesFiscalesRequestDto** and **ContribuyenteRequestDto**.
